

Legislative Branch IT Reserve Account Activity
All Activity from September, 2005 through September, 2013

The Legislative Branch's IT Reserve Account was established during the 2005 Session (HB 28). Funds deposited into the account are statutorily appropriated to the Legislative Services Division, to be used, with the approval of the Legislative Council, for major Legislative Branch information technology projects. Such purchases include hardware, software, consulting services, and training related to new initiatives and replacement and upgrading of existing systems. The Legislative Branch Information Technology Planning Council may make recommendations to the Legislative Council for the use of the money in this account. (5-11-407, MCA, 2013)
